PROFILE

Creative Video Editor specializing in high-end visual aesthetics and cinematic storytelling. Expert in Adobe Premiere Pro and Lightroom, I bridge the gap between photography and motion to create emotionally resonant, high-retention content.

TECHNICAL SKILLS

Editing: Adobe Premiere Pro, DaVinci Resolve (Timeline & Assembly).

Color & Photo: Adobe Lightroom (Advanced Grading), Photoshop (Retouching).

Specialties: Narrative Pacing, Mood Development, Multi-platform Optimization.

FEATURED WORK (YouTube Highlights)

Symphony of the Streets – Cinematic Pacing & Urban Atmosphere.

Cyberpunk Edit – High-Energy Rhythmic Cutting.

Summer Escape – Premium Lifestyle Aesthetics & Color.

PROFESSIONAL EXPERIENCE

Freelance Video Editor & Photographer | 2018 – Present

Lead end-to-end post-production for digital creators and brands, focusing on visual "DNA" and storytelling.

Apply advanced Lightroom color theory to video assets to achieve a unique, filmic look that stands out from standard edits.

Optimize content for YouTube and Social Media, consistently improving viewer engagement through intentional pacing.

Manage a professional YouTube gallery to showcase editing techniques and creative growth.

CORE STRENGTHS

Visual Taste: Expert eye for composition, exposure, and color balance.

Story-First Approach: Cutting for emotion and narrative flow over simple transitions.

Adaptive Style: Seamlessly switching between cinematic/slow and dynamic/fast edits.
